

## **Recycling**

Each kitchen has a recycling bin to be used for clean items only and no coffee cups please.

Other recycling items too large for the kitchen bin can be placed in the recycling bin in the rubbish room.

### **Recycling items include:**

- Paper and cardboard - all clean paper (including shredded paper), magazines, cardboard and up to four phone books
- Metals - aluminium cans, metal tins (lids in the red bin) and aerosols
- Glass - clean glass bottles and jars (the lids in the red bin)
- Plastics - clean hard plastic household containers and bottles (numbers 1-7, lids in the red bin), and supermarket checkout bags.
- All items with the exception of supermarket checkout bags must be loose and unsquashed.
